

MEMORANDUM

DATE: October 6, 2008

TO: Human Resources, Association
Alex Andreotti, ASI Senate Secretary

FROM: Sandra Flores
Executive Vice President
Associated Students, Inc.
California State University, Fresno

I, Sandra Flores, want to thank everyone that I have worked with over the past two years. We have achieved significant successes while advocating and advancing the mission of our student body.

I have prided myself on being a true student-leader with the emphasis on being a student first.

It's been a little over a month into school and I feel that I have not had the ability to be a student due to an extremely high stress level in our office. These situations have not been conducive to my health or my ability to be a student-leader and a student. Sadly, I cannot disclose full information about my experiences in ASI over the past few months, which has led me to not be able to fulfill my duties as a student and as an Executive.

In order to ensure my right to be a healthy student, I have chosen to step down from my position as Executive Vice President effective immediately.
